FAQs

Who is a participating dentist?

A participating dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for covered services provided to plan members. Out-of-network doctors and other health care professionals can bill you for the difference between the charges Horizon has agreed to pay and the actual charge for the service.

Can I find out what my out-of-pocket expenses will be before receiving a service?

Yes. You can ask your dentist to get a pretreatment estimate from Horizon. Your participating general dentist or specialist will send Horizon a plan for your care and will request an estimate of benefits. The estimate helps you prepare for the cost of dental services.

Do I need an ID card?

No. You do not need to present an ID card to confirm that you are eligible. You should notify your dentist that you are enrolled in the Horizon PPO Access Plan.

How do I find a participating dentist?

To locate a participating provider, please utilize the doctor finder at horizonblue.com/doctorfinder or by calling **1-800-4-DENTAL**. Simply log in or continue as a guest, select dental, select the Horizon PPO Access Plan, input any location nationwide, select the dentist, specialty or group practice and the results will automatically generate based on the network(s) your plan belongs to.
